By fax: 435-831-3390

Dear Lt. Col Whatcott:

The Bioweapons and Biodefense Freedom of Information Fund hereby requests Mandatory Declassification Review under the provisions of Executive Order 12958, as amended by Executive Order 13292, entitled National Security Information, section 3.5, of the following Dugway Proving Ground records:

1. The final report of the project "Chemical Warfare Agent Toxicity for Both Genders from Different Age and Ethnic Groups".

The Bioweapons and Biodefense Freedom of Information Fund requests Mandatory Declassification Review of this report in the course of its 501(c)3 non-profit mission to monitor and promote public awareness of government sponsored research on biological and chemical weapons agents.

Please do not hesitate to contact me at this address or by e-mail (hammond@sunshine-project.org) if you have any questions concerning this request.

I look forward to your response.

Sincerely,

Edward Hammond
